# *Signature* COCKTAILS

Our signature cocktails are produced with true precision and care. All convey their own unique story, inspired by The Grand's rich heritage and history.

We invite you to savour and enjoy every last sip, soaking up the surroundings of over 150 years of Grand history.

# Columbus 1493

Columbus encountered the pineapple in 1493 on the Caribbean island of Guadeloupe.

Any guest, who was invited to a party where a whole pineapple was displayed, knew that no expense was spared in guaranteeing the guests' enjoyment. It was this that made the crowned fruit the high symbol of social events and became the meaning of welcome, friendship, and the international symbol of hospitality.

# 1864

The Grand Hotel was designed by the architect John Whichcord Jr. and built in 1864. It was built for members of the upper classes visiting Brighton and Hove and remains one of the most prestigious hotels in the city. To this day, Bulleit Bourbon is distilled and aged in the Bulleit Family tradition, charred in American oak barrels which adds a smoky backbone. This cocktail has bitter and aromatic flavours.

# Hobdens Margarita

This unique Margarita is utterly refreshing and garnished with Pink Himalayan Salt, giving it a sharp yet fresh taste. Aptly named after the Royal Artillery salt water baths that used to stand where our Empress Suite is now. The baths were supplied with sea water pumped straight from Brighton's shores, residents and visitors alike would flock to the baths taking advantage of the many health benefits.
